"All this beauty is of God"

We seek to understand the Christian response to climate change and improving biodiversity, offer information and advice and bring prayerful hope to this beautiful island, and beyond, through innovative community engagement.

Church receives eco award

St Mildred's Church, Whippingham, has been awarded an Eco Church Silver Award in a competition run by A Rocha UK, a charitable the flower borders. Christian organisation.

Ruth Smith, the church's eco co-ordinator, explained: "A Rocha UK works to protect and restore the natural world, and is committed to mobilising churches in the UK to care for the environment.

"We are registered with many groups such as Wild Life Trust, Caring for God's Acre, Tear Fund, Help Bee Keepers Nurture Trees and Churchyard Gardens. We now have two active bee hives which will

produce our own honey. Tony, our main gardener, has also worked wonders, and visitors will find vegetables growing in

"There are wildlife areas, newly constructed encourage wildlife, and a local craftsman has made us many bird, insect and squirrel boxes placed in our Peace Garden.

"Being an Eco Church is a continuous journey, and we will endeavour to keep our church inspired throughout the years. We all have a commitment to a greener, healthier, lifestyle and for our children and our beautiful planet."
