

Opportunity

'I take the opportunity each day offers.'

Andy Goldsworthy

- How do we make the most of each day's opportunities and live life to the full when we're tired, busy and / or stressed? Can we carve out a little bit of time each day? Perhaps it's just about noticing and celebrating the small things in life?
- Is seizing life's opportunities just about our own self-fulfilment, or can we look for opportunities to bless or encourage those around us?
- How can we help others make the most of the opportunities they're given and grow?

'Carpe Diem. Seize the day. Make your lives extraordinary!'

John Keating (Robin Williams) in Dead Poets Society.
