

Peace

- 21st September is the International Day of Peace, established by the United Nations in 1981 to get people around the world to commit to creating a culture of peace. This year's theme is, **'Invest in peace – for everyone, everywhere, every day.'**
- What might it mean to invest in peace in your own life?
- Are there practical ways you could encourage peace in your school or local community?
- Is there anything you could be involved in that would help to promote peace globally?

'Peace is not just made at conference tables, but in classrooms, neighbourhoods, and everywhere people meet with open minds and open hearts. Together, day by day, we can build a more just world, with compassion, equality and dignity for all.' António Guterres

'Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world.' Desmond Tutu
