

Live: Pray: Serve Portsmouth Deanery – Northern Cluster Plan

Parish: St Philip Cosham

Activities	A brief description ...	In which stream or streams of Live: Pray: Serve does this activity most comfortably sit?				How will you record and evaluate impact? What would 'success' look like?
		Making Disciples	Growing Churches	Encouraging lifelong learning	Supporting the transformation of society	
This is great: Something we are already doing:	Lego Club Highbury in School? Lego Fun Days Monday Meat Put a flier through every door in the parish monthly giving details of services and key events. Parish member does voluntary support work in Highbury School Church open monthly for a Highbury School Collective Worship Lego Church	√ √	√ √ √ √	√ √		Children and families wanting to know more about Christ Showing Gods Love to the lonely – more non- church people attending Contacts from the community as a result of the fliers
This would be even better: Key plans for the future:	Finding ways to bring back those who used to be church members but have fallen away so that there is a stronger nucleus for mission to the community	√	√			A happy united church actively offering mission and welcome and teaching to all comers
Major things we should consider stopping:	Replace Come and See service with one that unites the congregations of the church. It was aimed at families but has driven away regular worshippers.	It isn't	It isn't	It isn't	It isn't
