

Road

- What does the road ahead feel like at the moment? Have you got a clear idea where you're going, or does the road twist and turn? Is it easy underfoot, or full of ups and downs?
- Do you feel as if you've chosen the road you're on, or would you rather be travelling somewhere else? Do you feel that you have the freedom to choose a different path?
- Are you excited by the thought of adventures and new discoveries along the way, or does the unknown make you feel uncertain or anxious?
- Do you feel this is a road you need to travel alone, or do you have companions to share the journey with?
- There is a Celtic term *Anam Cara*, or soul friend, for someone who shares the road with us and will listen to us and encourage us along the way.
