

# RE Network Meetings May 2018

- You are invited to attend one of the following RE network meetings. We will look at embedding Understanding Christianity in the RE curriculum; please bring any examples of activities which have worked well with your children to share with the rest of the group and examples of pupils' work, if you have anything suitable.
- If you haven't anything to share, come anyway and find out what other schools are doing!
- The meetings are open to RE subject leaders, Headteachers and teachers of RE.
- You will receive updates on national developments in RE and practical, creative ideas to use in class, as well as the opportunity to network with RE teachers in your area.
- Meetings are free and will take place from 1:30 to 3:30.
- Refreshments will be provided.
- Please let Jane Kelly know if you are able to attend
