

RE Network Meetings Spring 2019

- You are invited to attend one of the following RE network meetings. This term we will be moderating work from the Understanding Christianity Incarnation unit
- Please bring any examples of work your pupils have done on Incarnation, it would be really helpful to have a range of abilities across different year groups, to make the moderation worthwhile.
- You will receive updates on national developments in RE and practical, creative ideas to use in class; as well as the opportunity to network with RE teachers in your area.
- Meetings are free and are open to RE subject leaders, headteachers and teachers of RE.
- Refreshments will be provided.
- Please let Jane Kelly know if you are able to attend
