

Bishop's Lent Appeal

2023

This year, the Bishop's Lent Appeal is raising funds and awareness for USPG, whose mission is to partner churches across the Anglican Communion in rethinking mission, energising church and community and championing justice.

Bishop Jonathan says, "During Lent this year, I am asking each of us to..."

Live

To live as Jesus calls us is to love God with heart, soul, mind, and strength, and to love our neighbour as ourselves; this includes our neighbours in all parts of the world. I invite us all to live out God's love by recognising him in each other, and acting to protecting those most in need.

Pray

As well as the financial appeal I invite you to pray this Lent especially for the work of USPG across the world; for those in parts of the world struggling with war, famine, environmental damage; and for refugees – that we might see their humanity

Serve

As well as inviting contributions to USPG, my chosen charity this Lent, I'm appealing for our churches to find innovative ways to support our brothers and sisters across the Anglican Communion. I invite you this Lent to engage outside of your parishes as part of our call to serve."
