"The most important thing in the Olympic Games is not to win, but to take part, just as the most important thing in life is not the triumph, but the struggle. The essential thing is not to have won, but to have fought well."

Dear God,
Thank you that you believe in the
athletes.
Thank you for the courage of
sportsmen and women who have
chosen to play fairly.
Please help us to treat other people
fairly, whether it's in school, at home
or when we're playing sport or

"The most important thing in the Olympic Games is not to win, but to take part, just as the most important thing in life is not the triumph, but the struggle. The essential thing is not to have won, but to have fought well."

Pierre de Coubertin, Founder of the Olympic Games.

Paper Chain Prayers

Teacher Guidance

Context: This activity can convey the idea of unity in 'joining our prayers together' to the children.

You will need: Each child should be given three strips of plain paper. A4 paper cut into four lengthways is roughly the right size. Children will also need colouring pens. The activity will work better if you have prepared your own strips to give the children inspiration.

Explain to the children: We are each going to create our own prayer 'strips' and when they are complete, we will join them together into a prayer chain. Children are asked to write on their prayer strips and decorate them with colouring pens. One strip for each of the following categories:

- A person who you would like to pray for. This could be someone close to you or someone you don't know very well or even know at all.
- A place in the world that needs our prayers (you may need to discuss this with the children).
- Something that needs to change so that the world can be a better place for everyone.

Joining the strips: You may want to allow the children to stick their own strips into circles using glue sticks or it may work more effectively if you join them with a stapler as the children complete them.

You may wish to end the activity with the following prayer:

Loving God,
We join together in unity to offer our prayers
For people, places and problems.
May we have strength and courage
To make a difference in the world.
Amen

Previous school projects

The material for previous projects created by our diocese's education team can be found and downloaded below. They may be useful in both schools and churches:

Everyday Ubuntu - 2022-2023 School Project

'Everyday Ubuntu' is the African value of binding together a community by acting in partnership. It was the focus for our schools in 2022-23, culminating in a Leavers' Service that featured African drumming in July 2023, which you can read about [here](#). You can download the celebration booklet [here](#).

Download the project booklets and resources for early years to Key Stage 3 (four to 11-year-olds) [here](#):

Fortnightly Bulletin from the Education Team

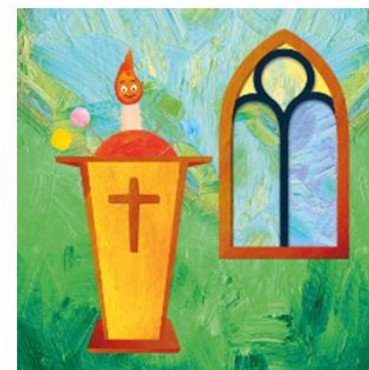

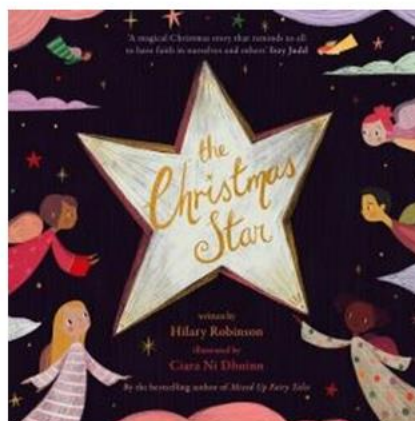

Wednesday 13th of November 2024

Christmas Resource for Classrooms, Whole-School, Sunday worship, Church Groups:

Many of our schools have used at classroom and whole-school level, as have parishes for All Age Worship and Children's Groups, our now nation-wide-used resource : **The Christmas Star**. Do consider using this as a curriculum-enhancing resource on a number of levels. You can access our Collective Worship [here](#) and accompanying guidance notes [here](#).

Celebrate Christingle with The Children's Society

Christingle is a heartwarming celebration that unites families and communities to share the light of Jesus and bring hope to those in need. This year one million people will participate in a Christingle event, and your school could be hosting one in a special school worship or incorporated into your carol service. There are free resources to guide you every step of the way [here](#). The Children's society also have local champions available to speak at your event, sharing more about the incredible work of The Children's Society and how you can make a difference. Please contact [Jonathan DeSausmarez](#) or [Ian Coombs](#) for further information.
