

Role	Youth and Children's Team Leader
Location	Crofton Parish, Stubbington, Hampshire
Salary	£22k - £24k
Hours	Full Time (37.5 hours a week)

Is God calling you to work with children and young people? Do you enjoy working with others in delivering ministry? Would you relish joining a staff team committed to helping our parish be *'The Heart of God at the Heart of Our Community'*? Crofton Parish could have the perfect role for you! We are looking for a gifted individual to lead this ministry area to children and young people.

As we emerge from the effects of the global pandemic, Crofton Parish is looking to re-ignite its ministry to children and young people. From September, we hope to have a team leader to support and guide our teams in restarting all of our groups; you won't be starting from scratch, groups and volunteers will already be in place. Once a firm foundation has been re-established, the team leader will then have opportunities to develop this ministry area and initiate new ways of working.

More detail can be found in the Role Description, including the person specification. If you'd like to find out more information or arrange a visit then please contact Rev Dan Greenfield, who will be line managing this role by emailing dan@croftonparish.org.uk or phoning the office on 01329661154
